

CONSTRUCTION MACHINES

fluiconnecto[®]
— by manuli[®] —

the manufacturer
at your doorstep

MADE IN
manuli

85 years of experience
in the design and manufacturing of high pressure
hydraulic connections.

industry specific solutions
dedicated products for Construction, Oil&Gas,
Mining, Construction, Shipping and other industries

Featured Manuli products

Connections

high pressure
hydraulic hoses

- ⇒ Manuli quality = durability
- ⇒ with braided & spiral reinforcement
- ⇒ hose assembly marking with individual part numbers = easy to order replacement hoses
- ⇒ large bore (XXL) hoses up to 4"

quick couplings

- ⇒ over 25 product families
- ⇒ zinc plating Cr3+
- ⇒ reinforced internal components
- ⇒ flat face version = no oil spill when connection or disconnecting

adapters

- ⇒ wide range of termination ends (JIC, ORFS, BSP, NPTF, NPSM)
- ⇒ available in stainless steel
- ⇒ custom designs

hose protections

- ⇒ protection from mechanical damage
- ⇒ textile sleeve protects machine operators from needle leaks that occur during external hose cover failure

Technical
support

Why is it beneficial to work with us

we offer:

- high pressure hydraulic connections
- components of the hydraulic circuit
- components of the brake circuit
- industrial hoses
- air conditioning hoses
- central lubrication systems
- chemicals, tools, oils, HSE accessories

INTEGRATED SUPPLIER

- Hydrosshops close to you
- Service on Site VAN 24H
- dedicated safety stock
- fast product delivery
- hose marking with individual codes
- advice & support
- circuit design services
- products assembled in kits for machine manufacturers

CONVENIENT & FAST COOPERATION

your benefit:

**SAVE
TIME**

we offer:

- hose + insert + ferrule+ machine
+ crimping chart

manuli[®] HYDRAULICS system

- production repeatability with the Manuli Integrated System
- hoses tested
tested to 2mln impulse cycles
- 80 years of experience in high quality products
- references of industry leaders

MANULI HYDRAULICS QUALITY PRODUCTS

- hose protections & HSE accessories
- pressure tested hoses
- hose cleaning after production

SAFE HYDRAULICS

your benefit:

**REDUCE
DOWNTIME**

BENEFITS FOR MACHINE MANUFACTURERS

1. **Repeatability** of hose assembly quality through the **Manuli** integrated system
2. **Design** of hydraulic systems
3. **Marking** of hose assemblies with individual codes
4. **Pressure test** of assemblies
5. **Hose cleaning** after assembly
6. **Kitting** of assemblies saves time on the production line
