

SEWER CLEANING WASTE REMOVAL

 **the manufacturer**
at your doorstep

flui  **nnecto**[®]
— by **manuli**[®] —

We keep it running

- 80 years of experience
- Manuli integrated system
- manufacturing repeatability
- manufacturing in wholly owned facilities
- industry leaders and top OEM references

- hose protections
- hose assembly testing
- hose assembly safety accessories
- approved & certified products

Availability & professionalism

- Hydroshops
- on-site Workshops
- delivery to your doorstep
- customer specific stock

- kitting
- flui-ID
- trainings
- technical support
- oil filtration on site
- installations on site
- pump refurbishment
- hydraulic circuit design
- maintenance services 24/7
- hose crimping & tube bending

Hydraulic oil circuit

Manuli connections

high pressure hydraulic hoses

- ⇒ Manuli quality = durability
- ⇒ with braided & spiral reinforcement
- ⇒ optional hose assembly marking with individual part numbers = easy to order replacement hoses

quick couplings

- ⇒ over 25 product families
- ⇒ zinc plating Cr3+
- ⇒ reinforced internal components
- ⇒ flat face version = no oil spill when connection or disconnecting

fittings

- ⇒ coverage of the whole hose range
- ⇒ zinc plated for corrosion protection
- ⇒ metric, inch, RD, right & left threads
- ⇒ part of Manuli Integrated System
- ⇒ ferrules made from one piece rod
- ⇒ innovative Rotofit swivel connections

hose protections

- ⇒ protection from mechanical damage
- ⇒ textile sleeve can protect machine operators from needle leaks in case of an external hose cover failure

/ We are part of Manuli Rubber Industries (MRI) /

a group of companies including Manuli Hydraulics, a leading manufacturer of high pressure hoses & connections

Sewer cleaning

Hose assemblies

rubber & thermoplastic

complete hose assemblies for sewer cleaning with attached nozzles

- over 10 nozzle types for sewer cleaning
- compatible with reels on sewer trucks
- individual length - up to 120m!
- termination ends made from zinc plated or stainless steel (SS)
- hoses reinforced with steel or fabric cord for improved flexibility
- made of rubber or thermoplastic compounds

Lubrication & accessories

manual grease gun

automatic lubrication systems

chemicals, oils & HSE

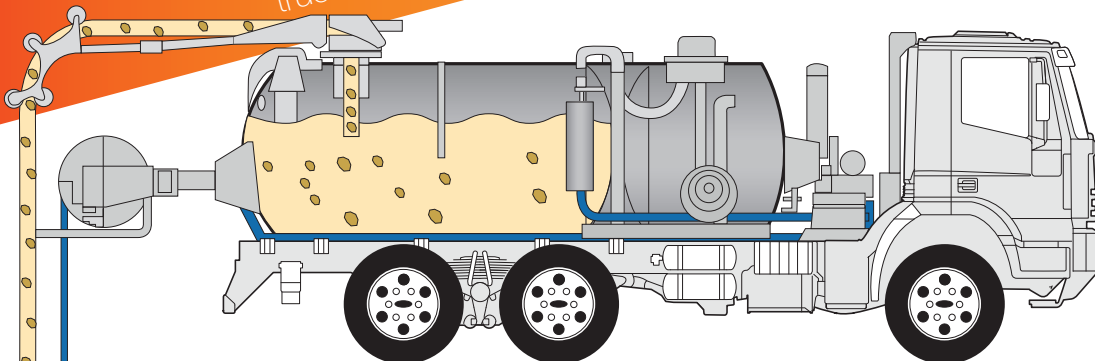

tools

Specialized solutions for:

garbage trucks, waste removal/vacuum trucks, street sweepers, water carts, snow plow, highway grass cutters, rubble container collecting trucks, waste press, toilet service trucks and many other!
